Calling for Student Mentors for 2012-2013

During their junior year, GEAR UP students will be mentoring in-coming freshmen. GU students will work with students at freshmen orientation and also meet once per month with his/her mentee in a large group setting.

Leadership training will be provided for the mentors; one session in May and one in August. Dates TBA.

This is a wonderful service and leadership opportunity for our students. This will also be an excellent addition to their resumes for scholarship and college applications.

Students should come by the GEAR UP office to sign up to be a mentor.
